Developmentally  
Appropriate  
Practices for  
Elementary . . .

First, knowing what is expected at each stage of a young child's development is important, and informs decisions about best practices.

# File Type PDF Guide To Devel

1. Another key factor is knowing what is appropriate for each individual child. Watching children in play activity can give important insights into their progress and abilities.

## **Appropriately for Your Child**

Is their  
behavior related  
to their age,  
family  
relationships,  
or individual  
temperaments?  
Developmental
